Dear Shelley,

I would like to thank you for your ministry at Teen Quest this summer. What you say to teens is so vital in today's world. (I venture to say, your talks on forgiveness are very much needed in the adult realm also.)

In today's world there are so many who are struggling with past issues of deep hurt and the bitterness that sets into the heart. You know just how to share God's Word and His message of forgiveness to challenge someone to examine themselves and act on that.

We will definitely invite you back in order to speak to many more teens about God's love and forgiveness and how He is the only One who can make a difference and change a life.

I have enjoyed getting to know you on a personal level. You are genuine and have a deep desire to see others victorious in Him.

Thanks for your ministry.

Yours for youth,
